Success in Service: Life After Peace Corps Event

Join the **Peace Corps** programs in attending "Success in Service: Life After Peace Corps" at the TUC Mainstreet Cinema at 7:00 p.m. **On Monday, April 4th.** It is a TED-style event in which diverse and accomplished Returned Peace Corps Volunteers visit the University of Cincinnati to share fascinating stories about how their Peace Corps service impacted their personal and professional trajectories. Through storytelling and networking, speakers will inspire you to consider the role service could play in your own life! Two MCP alumni will be speaking. The event is free, but registration is requested. <https://www.eventbrite.com/#!/success-in-service-university-of-cincinnati-1-04-15-2-150623828>

DAAP Lives Events

There will be a series of upcoming events regarding how to make **DAAP** more sustainable! These events will take place **April 11th-15th** and includes guest speakers, a lunch and talk about recycling and composting, a game night and a tree planting event! To learn more about the schedule click [here](#) for the flyer!

Land Use Webinar and Local Branding Virtual Meet Up!

The **Urban Manufacturing Alliance** will be hosting two webinars this April. The first is **Breweries and Downtown Redevelopment: A Case Study of Cincinnati's Brewery District and Rhinegeist Brewery** on **Tuesday, April 5th** at 1pm. Speakers Bryant Gouding and Steven Hampton will provide deep analysis about land use and programming plans from Cincinnati's Brewery District, and how it is driving urban manufacturing development right next to downtown. Click [here](#) to sign up! The second is **Making the Model: Organizational Structures for Local Branding Platforms** on **Wednesday, April 20th** at 1pm. "Making the Model" will feature three existing "Local Made In" groups with different operational foundations, as an introduction to how these organizations can be structured. To sign up click [here](#).

UC's Spring Family Weekend!

The **Parents & Families Association** is pleased to announce the events and registration for **Spring Family Weekend, April 15-17, 2016**. Register before **April 8th** to save \$5 per person. Registration fee includes 4 meals, all weekend activities and giveaways, for the low cost of \$10/\$15 (member/non-member). Please know every parent, friend or family member is eligible to participate in everything that we do. Follow the link to register: <https://www.sungemonkey.com/r/upfamilyweekend>. For a complete schedule, event descriptions and registration information visit the website <http://www.ucparentsandfamilies.org>. If you have any questions contact the UC Parents & Families Association office at 513-556-1200.

Faculty Accomplishment

School of Planning Faculty Win Awards

Phillip Obermiller, a senior visiting scholar, and Thomas Wagner, an emeritus professor, both in the **School of Planning** have been selected along with Michael Maloney to receive the **Presidents' Award** from the **Midwest Archive Conference**. The award recognizes individuals "not directly involved in archival work, but knowledgeable about its purpose and value." Obermiller, Wagner and Maloney were instrumental in organizing and transmitting forty years of records from the **Urban Appalachian Council** to the **Southern Appalachian Archives** at Berea College's Hutchins Library.

Phillip Obermiller has also received the **Weatherford Award** for the best book on Appalachia published during 2015. Obermiller, along with co-award winners Chad Berry of Berea College and Shaunna Scott of the University of Kentucky, edited and contributed chapters to **Studying Appalachian Studies: Making the Path by Walking** published by the University of Illinois Press.

Professor David Varady participates in CMHA Resident Housing Symposium

Professor David Varady participated in the **Resident Housing Symposium** held **Thursday March 31, 2016 from 8:00AM to 3:00PM** at the headquarters of the **Cincinnati Metropolitan Housing Authority**. As part of a panel of housing experts Dr. Varady responded to a set of questions from CMHA residents. Later in the morning he queried three CMHA resident leaders about their experiences after recent changes (e.g. the HOPE VI program) and their fears going into future changes. A pdf of the Conference program is available [here](#).

Job Opportunities

Internships

Traffic Data Collection Internship Available

OKI is looking for a temporary, part-time internship assisting with traffic counting duties for this summer and fall. Hours are flexible, although one day at the beginning of the week (Monday or Tuesday) and one at the end of the week (Thursday or Friday) will be required. The intern will assist OKI staff in setting pneumatic traffic counters on area roadways. For more information click [here](#).
