DAAP
COMPUTER
REQUIREMENTS
Aaron Rucker
Information Technology Manager
513-556-4729
aaron.rucker@uc.edu
All DAAP disciplines have a laptop computer requirement. Systems and capabilities are specific to the needs of the discipline.

Art History

- Macbook 1
- Macbook Pro 2, 3, 4, or 5
- HP ZBook Workstation 1, 2, 3, or 4

Fine Arts

- Macbook Pro 2, 3, 4, or 5
- HP ZBook Workstation 1, 2, 3, or 4
- Wacom Mobile Studio Pro 1, 2, or 3
PURCHASING

Apple Macbook and Macbook Pro systems are purchased through the UC Bookstore

HP and Wacom systems are purchased through the CampusHP online store
http://www.cdwg.com /ucdaap

The HP and Wacom systems are not available at the bookstore

All software and accessories can be purchased through the UC Bookstore
SOFTWARE REQUIREMENTS

**Purchase from UC**
Microsoft Office 365 (version 2016)
http://www.uc.edu/ucit/services/hardware-software/stu-software.html

Microsoft Windows 10 Education
Mac Users can use Windows software using BootCamp or Virtualization
http://uoc.onthehub.com

**Purchase or download online Third Party**
Adobe Creative Cloud $240 for first year subscription ($19.99 per month subscription)

VM Ware Fusion for virtualization on MacOS $79.00

AutoDesk - All titles are free to students
RECOMMENDED ACCESSORIES

External 3 button mouse

Security cable or lock

Protective case or backpack

USB External Hard Drive - 1 TB or more

USB flash drive - Don’t spend more than $10 to $20, 8-32GB is sufficient
INSURANCE

All bundles include 3 year warranty with options for more coverage.

Please ensure you read carefully the warranty terms to ensure they meet your needs.

Additional insurance is HIGHLY recommended through your homeowners insurance.

Laptop repairs are costly!
WHY BUY THE RECOMMENDED SYSTEMS?

Machine will be up to the task!
Hardware will last being business and workstation class machines

You know it is compatible with the specialized professional software and with your discipline’s curriculum.

You receive better technical support from the DAAP IT

You get a great deal on a business class (not consumer grade) computer.
Apple MacBook Pro systems can run Microsoft Windows.

**BOOTCAMP**
Install both systems on the computer and dual boot between them
Can be less convenient to share files between systems and requires reboot

**VMWARE FUSION**
Allows you to run a “virtual” window inside Mac OS
Cost around $50 plus cost of Windows10 operating system
vmware.com
DAAP IT will assist in setting up some aspects of running windows on the Mac.

RESNET (UCIT Residential Network services) can also set up your machine.

DAAP IT will have setup sessions in the Autumn term.
WHAT DAAPIT DOES

Technical Support (with supported hardware and software, wireless) walk ins welcome!

Provide access to computer labs, 24/7 color laser printing, flatbed scanning, etc.

50+ computer lab open 24/7 to DAAP students only

Facilitate University resources for software (AntiVirus, Lynda.com) and services (box.com)
WHAT DAAPIT DOES NOT DO

Hardware support
Provide Loaner systems
Provide software or media (excluding university provided software)
On-site visits
We ASSIST users with our knowledge and experience
Should I buy a printer?

When should I buy hardware/software?

What if I already have a computer/want to buy another system?

How long do you expect the computers to last?
