

**College of Design, Architecture, Art, and Planning; School of Art**

This is an academic certificate that prepares students to enter a graduate level Art Therapy program by increasing students' knowledge of the field of art therapy and fulfilling pre-requisites for many related programs. A graduate level Art Therapy degree is required in order to practice Art Therapy professionally.

Be sure to check [arttherapy.org](http://arttherapy.org) for requirements for specific graduate programs.

**Required Intro course:**

FAA2008 or  
PSYC2008 Introduction to Art Therapy (FA, SS) 3
