DAAP Cares 2018 | Application

DAAPcares is a collective of faculty, students and alumni committed to improving the quality of life for individuals and communities in need through the pursuit of theoretical and applied projects and research. The mission of DAAPcares is to foster improved quality of life by identifying humanitarian causes and working as interdisciplinary teams that connect design, architecture, art, planning, and other disciplines to conduct research, create new theoretical frameworks, and generate productive and inspiring solutions

The event will be Thursday, April 5th from 6:00-8:30 pm, DAAP 5th Floor, in front of Reed Gallery (342 Clifton Court, 45221). Selected applicants will be asked to prepare a 24" x 36" poster to showcase their work at the event. Those wishing to apply should complete this form and send it, along with a project description (around 200 words) and 3 high-resolution images to **medinali@mail.uc.edu** by **Monday, March 5th**.
