

Public Information

The Planning Accreditation Board requires this information be posted for the **Master of Community Planning** program.

In 2017, the School of Planning reached out to the graduating classes and asked them to answer questions about the overall satisfaction of the program(s) they attended. These questions covered the effectiveness of the training they received and the value they gave to the programs' components. Their responses are depicted in the following table.

Student Achievement	MCP
	Percentage considered Extremely/Very Satisfied/Satisfied
Question 1: Overall, how satisfied are/were you with your experience at School of Planning?	89.47%
Question 2: How effective was the training you received at the School of Planning for your planning job?	83.33%
Question 3: Please indicate the relevancy of the School of Planning program components to your current job. (Students could select multiple answers.)	
co-op/internship	78.95%
Technical Skills Provided	52.63%
