about DAAPcares

DAAPcares is a collective of faculty, students,
and alumni committed to improving the
quality of life for individuals and communities
in need through the pursuit of theoretical and
applied projects and research.

mission

The mission of DAAPcares is to foster improved
quality of life by identifying humanitarian
causes and working as interdisciplinary
teams that connect design, architecture, art,
planning, and other disciplines to conduct
research, create new theoretical frameworks
and generate productive, inspiring solutions.
