Public Information

The Planning Accreditation Board requires this information be posted for the **Bachelor of Urban Planning** program, at the College of DAAP, University of Cincinnati.

Between 2013-2021, the School of Planning reached out to the graduating classes and asked them to answer questions about the overall satisfaction of the program(s) they attended. These questions covered the effectiveness of the training they received and the value they gave to the programs' components. Their responses are depicted in the following table. The survey was sent to all graduating BUP students.

Student Achievement Question 1: Overall, how satisfied are/were you with your experience at School of Planning? (Percentage considered Extremely/Very Satisfied/Satisfied) 89% Question 2: How effective was the training you received at the School of Planning for your planning job? 82% Question 3: Please indicate the relevancy of the School of Planning program components to your current job. (Studer could select multiple answers.) co-op/internship 32% Technical Skills Provided 12% Teamwork Experience and Training 13% Studios/workshops and other applied projects 19% Concentration on Focus Areas 2% Concept Classes 6%	BUP Student Achievement
