

## Public Information

The Planning Accreditation Board requires this information be posted for the Masters of Community Planning program, at the College of DAAP, University of Cincinnati. Between 2013-2020, the School of Planning reached out to the graduating classes and asked them to answer questions about the overall satisfaction of the program(s) they attended. These questions covered the effectiveness of the training they received and the value they gave to the programs' components. Their responses are depicted in the following table. The survey was sent to all graduating MCP students.
