Address _____ Email _____
City / State / Zip _____ M-Number _____
Advisor _____ Telephone _____

Please answer the following two questions as specifically and as thoroughly as possible in the spaces provided.

1) Sustainability is achieved when there is social, economic, and environmental equity. How is this achieved in Sustainable Landscape Design? (100 words, maximum)

2) What significant contribution will you make to sustainable landscape design? (100 words, maximum)

Release of Transcript Information
I give the Office of Student Affairs permission to release my University transcript to the Elizabeth Moesta White Scholarship Review Committee. If I am selected as a scholarship recipient, I give the Office of Student Affairs permission to release my University transcript information to scholarship donors or the UC Foundation for reporting purposes. I will participate in any scholarship recognition events sponsored by the College if I am in town. I also allow the use of my application's digital images.

Signature _____ Date _____
